Sorry Janet, I've been on family vacation the last week and mostly out of pocket. I'll be back tonight and will email you again tomorrow or Wednesday with comments. Thanks!

Amanda, thanks for letting me know. I would like to set up a call to discuss the AOC and/or can you provide me with comments/redline by August 15? I am going to be on work travel from August 21-September 1, and would therefore like to either receive a redline from you or have a call to discuss the AOC before I leave.

Thanks for your consideration,

Hi Janet,

Sure, we tried to have a meeting with General Counsel Thin Elk and the other villages, but she had a family emergency and was unable to attend. We are currently trying to reset. She had said she wanted to talk with us about the Hopi Tribe's position and their willingness to provide some of the interim measures. Unfortunately, that meeting hasn't occurred yet. I have started a red-line. Let me finish it up in the next day or so, and get it to my client. I also will follow up with Theresa Thin Elk to see if we can get that meeting reset.

Thanks.

Good afternoon Amanda,

I am following up with you regarding the draft Administrative Order on Consent for First Mesa Consolidated Villages that I sent a few weeks ago.

You indicated that you would be providing a response, including a redline of the AOC, by the end of July. Can you provide me with an update?

Thank you,

Janet A. Magnuson
